

# HOMEOWNERS INSURANCE: A PARTNERSHIP THAT BENEFITS YOU

## WHAT DOES HOMEOWNERS INSURANCE COVER?

In general, homeowners insurance provides financial protection against damage to your home and personal property. Policies and carriers vary widely, but homeowners insurance typically covers:

### STRUCTURAL DAMAGE

Repairs or rebuilding costs if your home is damaged by events such as fire, storm, or vandalism.

### PERSONAL PROPERTY

Protection for your belongings, like furniture and electronics, if they are damaged or stolen.

### LIABILITY PROTECTION

Coverage if someone is injured on your property and decides to sue.

### ADDITIONAL LIVING EXPENSES

Costs for temporary housing if your home becomes uninhabitable due to covered damages.
